Grilling Class Schedule

- 10:30 am **Big Green Egg 101** . . . Have a new Egg? Mark Syoen will guide you through preparing, lighting, accessories available and finally cook on your Big Green Egg. A must for beginners but even the veterans can pick up a few tips.
- 11:30 am **Indirect Cooking on Your Egg** . . . Randy Bryant will talk slow cooking, ribs, roasts and poultry. Randy will also discuss timing, keeping things moist, seasoning and some other tricks he uses when cooking perfect ribs. Randy, a Weber Grill demo chef, has taught many classes on the Big Green Egg.
- 12:30 pm **Upgrade your Egg** . . . Mark Syoen will show you how you can upgrade your Egg using all the latest equipment. He'll also show you all the new EGGcessories for the Big Green Egg including the new EGGspander. This is an awesome accessory but there is a bit of a learning curve. Mark will make it all crystal clear.
- 1:30 pm **Desserts on your Egg** . . . Randy Bryant is back with desserts. He will show you some simple yet tasty deserts cooked on your Big Green Egg. Easy recipes, quick and crowd pleasers, to finish off a great meal. This class has the best samples.
- 2:30 pm **Big Green Egg 101**... Mark Syoen is back to finish your day and guide you through preparing, lighting, accessories available and finally cook on your Big Green Egg. A must for beginners with a new egg but even the veterans can pick up a few tips.
